# Welcome to the Domaine Reine Margot

Escape to the Domaine Reine Margot, an exceptional boutique hotel that opened in October 2023, just minutes from Paris. Nestled in the heart of a 5,000 m<sup>2</sup> garden with breathtaking views of the Eiffel Tower, our luxury hotel invites you to discover spacious, light-filled rooms and suites, with views of the surrounding greenery or the majestic Iron Lady herself. Enjoy seasonal cuisine in our bistronomic restaurant, then let yourself be charmed by our rum bar, set in a deconsecrated chapel listed as a historic monument.

Relax in our 360 m<sup>2</sup> spa with a heated pool, or take advantage of our yoga classes and mini holistic retreats. Located just steps from the metro and close to the Paris Expo Porte de Versailles convention center, our hotel offers the perfect setting for combining relaxation with business travel.

With a rich heritage, a constant focus on well-being, and a deep commitment to social responsibility, sustainability, and support for local initiatives, the Domaine Reine Margot is the ideal retreat for couples, families, and professionals seeking a unique and revitalizing experience, just a stone's throw from the heart of Paris.

## XVIIe

Marguerite de Valois, nicknamed Queen Margot, was a fascinating woman and one of the most cultured political figures of her time. She made this estate the perfect place to retreat from the bustle of Paris, nestled in a unique setting.

## XVIIe – XXe

The domain was later entrusted to the Society of Saint-Sulpice Priests, who, over several phases, built the Chapel of Solitude and its retreat space, which were subsequently classified as historical monuments.

## The best of both worlds

*A perfect balance between the vibrant energy of Paris and the serenity of a lush green haven, where liveliness and tranquility come together.*

Classified for the beauty of its historic garden, this enchanting setting invites you to a rejuvenating stroll through paths lined with aromatic herbs, vibrant flowers, and carefully cultivated vegetables and fruits. Admire the breathtaking view of the Eiffel Tower, majestic yet discreet, rising on the horizon and making each moment spent here an unforgettable memory.

Let yourself be carried away by this haven of peace, where tranquility is in the air, just steps from the bustling streets of Paris. Whether you're seeking a relaxing family getaway, a romantic escape, or a peaceful retreat, Domaine Reine Margot offers a secure space, perfect for disconnecting and reconnecting with nature.

Enjoy the garden, vegetable plots, and orchard to create unique experiences: outdoor yoga sessions, intimate picnics, or even cocktails in the cozy warmth of the greenhouse. Here, every space is an invitation to discovery, sharing, and serenity.

Welcome to a place where the essentials are rediscovered, and every moment becomes precious.

## Your memorable memories between history and tasting

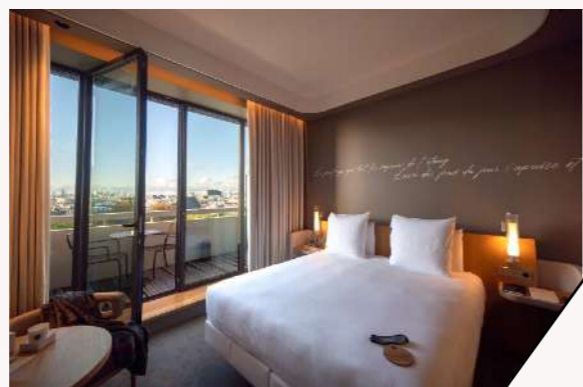

At the heart of the Domaine de la Reine Margot, the Monastic is a unique speakeasy nestled in a deconsecrated 19th-century neo-Gothic chapel, classified as a Historic Monument. Its majestic vaults and colorful stained glass create an intimate and warm atmosphere, where every detail tells a story.

When you cross the threshold, you enter another world. The bays adorned with stained glass from 1842, the statuary art, and the high reliefs crafted by stone masons surround you, while the light filtering through the pointed windows adds to the magic of the place. Comfortably seated, enjoy a selection of 400 rums from around the world, meticulously curated by the Dugas house. Let our mixologists guide you in exploring these flavors.

For an even more memorable experience, partake in our "Memorable Moment." In an intimate group of 2 to 12 people, privatize the magnificent Chapel of Solitude for an unforgettable journey into the world of rum. Guided by our expert bartender, you will taste four rum selections paired with a delicious baba, all while discovering fascinating anecdotes and tasting tips.

At the Monastic, history and tasting come together to create unforgettable memories. Immerse yourself in this unique and timeless experience and create wonderful moments that will remain etched in your memory.
